

PergoLINE

RETRACTABLE PERGOLA SYSTEMS

PergoLINE

RETRACTABLE PERGOLA SYSTEMS

Brings **Confidence** to Life!

PergoLine is an ergonomic, functional and advanced technological awning system, which can be opened and closed automatically for seasonal weather conditions.

PergoLine is made out of extruded aluminum and painted with epoxy polyester. It has a static carrying strength without needing any extra wood or steel construction.

Get
inspiring
spaces with
**its perfect
design.**

Its unique form **fits perfectly** in any
architectural structure.

Pergoline **creates** practical and functional
solutions as well as **modern spaces**.

Enjoy the comfort with
an all year long dynamism.

PergoLine is
a combination of
quality, comfort
and modernity
and offers friendly
spaces for four
seasons.
